Dear **Professor Shinji Uemoto**,

President, Shiga University of Medical Science

Professor Masaji Tani,

Chief of the Editorial Committee for the 50th Anniversary Commemorative Journal

I am delighted to hear that Shiga University of Medical Science is celebrating your 50th anniversary next year. On behalf of Choray Hospital, I consider it a great honor and privilege to sincerely congratulate on this meaningful occasion. This milestone not only represents the rich history of your esteemed institution, but also reflects our unwavering commitment to excellence in medical education and research.

Over the years, the collaboration between Choray Hospital and Shiga University of Medical Science has played an important role in fostering a dynamic exchange of knowledge, skills and expertise. Our partnership has played a pivotal role in improving the quality of health care delivery, medical research, and education at both institutions. Joint projects, joint research projects, and exchange programs have not only strengthened the ties between our medical communities but have also contributed greatly to the advancement of medicine.

Going forward, I propose to explore new avenues of collaboration, identify new areas of research, and continue to foster the exchange of ideas and talents. Together, we can make great strides in solving the healthcare challenges of our time and contribute to the betterment of society as a whole.

We once again congratulate you on this incredible milestone and look forward to our continued collaboration and continued prosperity in our partnership.

Sincerely and best regards,

Director

Nguyen Tri Thuc, MD, PhD
